

Provider Handbook: This will tell VR staff what types of services our providers have and what expenses are allowable for participants. <https://mydss.mo.gov/sites/mydss/files/SkillUP-Providers-Handbook.pdf> Please note though, each case is unique and handled on a case by case basis.

SkillUP Website: <http://on.mo.gov/SkillUP> or <https://mydss.mo.gov/food-assistance/missouri-employment-training-program> Either will take you there.

SkillUP Provider Directory:

Staff must answer the question and enter an address in the field. FSD is in the process of breaking this out into two questions, and hope to have this completed by end of the week.
