Missouri Rehabilitation Association

2021 State Training Conference

October 3 – 5, 2021

Dear Friends in the Rehabilitation Community:

We are pleased to announce the 2021 Missouri Rehabilitation Association State Conference will be held on October 3-5, 2021 at Tan-Tar-A/Margaritaville Lake Resort. We invite you and your organization to participate in this year’s conference by highlighting your organization as an exhibitor and sponsor.

MRA is an association of partnering agencies working together to support people with disabilities, and the professionals dedicated to serving them. The Annual Conference is a wonderful opportunity for you and your staff to:

- Showcase your organization's services and products to rehabilitation professionals.
- Learn more about other organizations that provide the services and products your customers may need.
- Connect with staff from a variety of agencies all over the state to develop stronger working relationships that last throughout the year.
- Obtain valuable information and training in breakout sessions to help you more effectively meet your clients’ needs, meet your organization’s objectives, and to obtain CEUs for credentialing.

The exhibitor cost includes one registration, awards banquet meal, and more. ***Become a conference sponsor and your business will be recognized throughout the conference and MRA website all year!*** Please visit www.mo-rehab.org for information on sponsor levels and online registration.

Your early commitment to this event is greatly appreciated. Please call or email the representative below to confirm registration and sponsorship. Take advantage of Early Bird Pricing, online registration, and payment via PayPal! We look forward to seeing you at the lake! Sincerely,

Erica King, MRA Conference Committee erica.king@vr.dese.mo.gov Ph. 417-895-5866
